- There is a 50% discount on all categories for Registered Disabled Members. Discounts and/or payment plans may also be arranged from time to time for those members who cannot afford to pay full subs. We recognise that the restrictions introduced to combat the spread of Covid have impacted on some members working in sectors of the economy which have suffered most financially. Please contact the Treasurer if help with subs is required.
- There is an optional discount for veterans provided they are combined or tennis only or squash only members. However it would be appreciated, if those who play regularly and can afford it, do not take advantage of this:  
 Veteran (over 70) 35% Deduction  
 For couples to take advantage of this discount please note that both partners have to be over 70 to qualify.  
 Members wishing to take up this option must let us have their dates of birth.
- Members wishing to pay via the internet or by standing order should ensure their names and initials appear as the payment reference and should note that the Club's bank account details are as follows:
